Introduction

This document shall serve as a guideline for the implementation of development standards for *Bella Vista* residential development by providing, in detail, the objectives of the development. These guidelines will assist in providing a definitive set of objectives and the intended community design character, whereby a high level of design can be achieved.

PROJECT NARRATIVE

Bella Vista is a planned mixed residential development that consists of Single-Family Detached (SFD), Single-Family Attached (SFA), Assisted Living (AL), and Recreational Vehicle Storage (RVS) areas. This development lies parallel to Ridge Drive from Eagleridge Boulevard to Outlook Boulevard and consisting of approximately 28.6 acres in northwest Pueblo, Colorado. The design is intended to create a private, gated (Single-Family Detached (SFD), Single-Family Attached (SFA), and Recreational Vehicle Storage (RVS) areas) neighborhood with a variety of housing types in an identifiable community.

The PUD development will help to create a positive social environment. Development of this parcel will provide high quality diverse housing opportunities to Pueblo citizens. Additionally, development of this PUD will help to aesthetically enhance the neighborhood surrounding a regional city park.

Once developed, the property within the SFA, SFD and RVS areas will be a private, gated community with a neighborhood community center. Architectural control of construction will be established by the *Bella Vista* Community Architectural Standards enforced by the Architectural Review Committee. Maintenance of general common areas and facilities shall be the responsibility of the owners of all lots within this subdivision (HOA) subject to the terms and conditions of the Declaration of Covenants.

It is anticipated that final approvals for the PUD development will be in place by July 2008 and allow for a third quarter 2008 groundbreaking with completion in the first quarter of 2009.

Directly to the south is a regional city park. Directly east is Ridgeway Subdivision, Filing No. 3, an existing single-family residential subdivision. Directly to the northwest is Eagleridge Estates, Filing No. 2, an existing residential subdivision.

DEVELOPMENT DEFINITION

INTENT

It is the intent of this Development Guide to be consistent with and to assist in the implementation of the City of Pueblo's Zoning Ordinance to:

- Provide diverse, high quality housing alternatives to Pueblo's citizens
- Minimize the burden of traffic on streets and highways
- Conserve and enhance the value of the land
- Provide a procedure which can provide consistent design to the development of the site
- Conserve and enhance the value of the land
- Minimize stormwater run-off from the development by incorporating post construction "Best Management Practices" into the site design

DEFINITION

Assisted Living:

Means a place of residence which provides lodging, board and personal services for persons fifty-five (55) years of age or older and the co-habitation spouses of persons fifty-five (55) or older.

Single-Family Detached (SFD):

Means a low-density, single-family detached residential dwelling unit.

Single-Family Attached (SFA):

Means a medium-density, single-family attached (duplex) and detached residential dwelling units with on-site landscaped open space.

Recreational Vehicle Storage:

APPLICATION

These standards shall apply to all property contained within *Bella Vista* PUD that is shown on the attached plan. The regulations and requirements shall become the governing standards for review, approval and modification of all development activities occurring on the site.

Provisions of this guide shall prevail and govern the uses permitted within *Bella Vista*; however, this guide shall only supersede the specific zoning regulations of the City of Pueblo when referenced within the Development Guide and the City's Zoning Ordinance as amended.

Bella Vista Subdivision is to be developed for one (1) dwelling unit per lot in the SFA and SFD areas and the strict application of the requirements contained in Section 17-8-7 would result in undue hardship or injustice to the future homeowner. The developer requests the requirements of the PUD Site Plan as outlined in Section 17-8-7 be waived for all single-family units within *Bella Vista* Subdivision by the Planning and Zoning Commission as outlined in Section 17-8-8(d).

The developer requests the following modifications to Subdivision regulations, per Section 12-4-10 of the Code of Ordinances.

1. 3' minimum sidewalks in Single-Family Detached and Single Family Attached areas (in lieu of 5' sidewalks).
2. 10' side yard drainage easements (in lieu of 20' drainage easement).
3. Non-radial lot lines to maintain the feasible lot pattern.
4. Residential lots front on private roadway (in lieu of public right-of-way).
5. Modified cul-de-sac road design (in lieu of standard 40' radius cul-de-sac bulb).
6. 3' sidewalks through common areas with 5' x 5' pads as required by ADA guidelines (in lieu of 5' sidewalks).
7. Private road right-of-way width of 50' (in lieu of 60').

AUTHORITY

The authority of this Development Guide is Chapter 8 of Title XVII of the Pueblo Municipal Code as amended.

Adoption

Reference: Section 17-8-2(c) – Paragraph J of the City of Pueblo Municipal Code

Relationship of City Regulations

In such a case the provisions of the City of Pueblo Zoning Ordinance, or any other codes or regulations for the City of Pueblo shall prevail where applicable.
